

Child Care

Teachers and

Staff, Family Child Care Providers, Head Start Teachers, and
College Students in ECE programs ...

Do you have **energy**, **enthusiasm**, and a **passion** for the
profession of Early Care and Education? If so, you are invited
to participate in ...

Lane & Douglas County
Growing the Profession!
August 27th and 28th

Growing the Profession is a special project to foster professional identity, sense of purpose, and responsibility in the field of Early Care and Education. **Growing the Profession** summits are scheduled in regions around Oregon and include leadership development, resulting in action plans to foster increased professional engagement and increase community support for ECE.

All Participants receive...

- A Session *Handbook*
- Professional *Journal*
- *Resource Book: Learning To Lead: Effective Leadership Skills for Teachers of Young Children* by Debra Sullivan
- *Set 3, Oregon Registry certificate* for 15 hours of training and education, including 4 hours of adult education.
- *Refreshments* and meals
- Eligible for *stipend* to assist with the cost of lost wages, substitute care, travel, etc.
